

## Lorena Morgia

### POSITION

Senior Landscape Architect

### YEARS' EXPERIENCE

19+

### JOINED CUSP

2021

### EDUCATION

BLA (Bachelor of Landscape Architecture)

### AFFILIATIONS

AILA (Registered Landscape Architect)

### SUMMARY OF EXPERIENCE

Lorena is an AILA registered landscape architect and brings over 18 years' experience from both international and local landscape architecture and multi-disciplinary design firms. She has been involved and worked on a broad type of projects which range from small to large scale developments. Prior to moving to Brisbane in early 2016, she has worked in Singapore for eight years, working in top-notch firms such as Tierra Design and AECOM. Throughout those years, she has been assigned to various projects across Southeast Asia, China and the Middle East which include commercial mixed use, residential estates and public realms, managing and delivering works from concept design through to graphic presentation and detailed design documentation. Her strength includes coming up with feasible and practical design solutions with her thorough understanding of hardscape detailing and technical aspects of any projects assigned to her. For the past 8 years, her core experience focuses on complex podiums and public realm projects which require high level of coordination within the BIM environment and documentation using Revit.

Prior to joining CUSP, she was with Conrad Gargett-Brisbane and has worked on education, heritage, hospital, defence and infrastructure projects in QLD and NSW.
